The design consists of a large rectangular area divided into four quadrants by a vertical and a horizontal line. The top-left quadrant contains a small image of a yellow flower with a green center. The other three quadrants are empty. The background colors are: light blue for the top-left and bottom-right quadrants, light green for the bottom-left quadrant, and light purple for the top-right quadrant. A thin, light green border runs along the right and bottom edges of the entire design.
